Exit and Emergency Light Service

Bulbs

\$4.70 each, cash and carry. Case quantities of 25 or more (mix and match) are \$3.60 each. Installation by Blasiman Fire Equipment is \$5.90 each.

Batteries

\$16.70 to \$44.00 each and price is based on size and voltage.

Service and Sales

Emergency light service is \$17.90, which includes replacing the batteries and checking charging circuit and crossover function.

Sales of all batteries and new lights are available and in stock. Installation of lights is \$47.50 for normal wall installation and \$62.50 for ceiling canopy mounting.

Warranty

All new extinguishers have a full 6-year warranty. No maintenance required for 5 or 6 years, depending on type. If you experience any problem with the unit it will be repaired or replaced, free of charge. No hidden costs.

Service Call

\$47.50 plus \$9.40 an extinguisher. Please call for rates outside the Alliance mailing address. We provide full service with pickup and delivery to your door. When an extinguisher is pulled for service or maintenance, a loaner unit is provided to protect you until your unit is returned.

Free Estimates

You are under no obligation to have any work completed. We want an opportunity to be your fire protection provider. Our product quality will earn your business and our customer service will keep it.

Fire Hose and Safety Products

A full line of safety and emergency products are in stock. First Aid Kits and Service, along with Fire Extinguisher Training and OSHA required company Safety Classes are available. In addition, we offer Fire Extinguisher Wall Cabinets and Fire Hose Sales and Testing.

Fire Extinguishers

Extinguishers are all U.L. listed and MADE IN AMERICA in Trussville, Alabama with a full 6-year non pro-rated warranty. A wall-mounting bracket is included with all units. Normal wall mount installation is \$12 per unit installed for labor and hardware. Serving Commercial, Industrial, Agriculture, Oil Field, and Residential customers, we provide service for all makes and models of extinguishers.

We carry liability insurance and are covered by State of Ohio Workers Compensation insurance. Licensure is maintained by all personnel through the State of Ohio.
